

GHF Cup Winners 2007 to 2012

LUCKY GIRL--Kim Schisler (left) is delighted to be the last high-score winner to fill the last spot on the base of The Good Horseman's Cup sponsored by Frese Frame Photography and Alicia Frese. The last winner gets to take the trophy home! The first winner was Jane Cleveland on her Trakehner gelding, Kavalier, in March 2007. The complete list of winners is posted above and on the Show Results page. It was Kim's ride on the Brazilian Lusitano gelding, Baluarte Interagro, owned by Cathy Cooper, which captured the final trophy. The owner gets the silver champagne cooler and Kim, a dressage trainer who lives in Alpharetta, GA, gets the champagne! A new cup is being prepared now for the July show. The first winner to be listed on the new trophy will be the June 2012 high-score winner, Eliza Ginn whose winning 1st Level Test 1 Jr/YR ride on her Arabian/Quarter Horse gelding, Bouccos Flight Plan, received a show high-score of 74.138%. (Training Level rides are not eligible for this award).
